

June 22, 2016

On behalf of the District 6 Scholarship Golf Committee and Sharri Bender Ehlert, District 6 Director, I want to thank all of the participants and sponsors in the **10**th **Annual Caltrans District 6 Scholarship Golf Tournament** that was held June 6th at Belmont Country Club. The golf tournament is the primary fund raiser for the District 6 scholarship program.

Thanks to the generosity of our sponsors and participants, District 6 has awarded \$62,000 in scholarships as a result of our fundraising efforts over the last ten years. These scholarships are made available to graduating seniors from a local high school in Fresno, Madera, Kings, Kern or Tulare counties to those students pursuing a transportation related field. This past May, District 6 was able to award \$10,000 in scholarships for the following:

- Four (4) Transportation scholarships worth \$1,000 or \$2,000 for individuals entering college or a university who plan on majoring in a transportation related field.
- Two (2) Employee Family scholarships worth \$1,000 or \$2,000 for individuals entering college or a university who plan on majoring in a transportation related field and are related to a current, former, or retired Caltrans District 6 employee.

While every participant and sponsor certainly played an important role in this effort, I want to give special thanks to all of the Caltrans employees who either participated or volunteered their services during the tournament. You all participated in this event on your own time (not state time) and the tournament could not have been a success without you. Thank you Caltrans employees and management staff!

I hope that next year's event will be as successful as all of the past events. We will announce the date and location as soon as we can finalize that information.

Sincerely,

Brian Everson, Tournament Chairman
